Many buildings from the Middle Ages through 21th century still fascinate historians and attract millions of tourists.
The historic center of the city is on the UNESCO World Heritage Sites list.

Trams, buses, subway

Prague has a very dense public transport network.

Trams, buses, subway

Prague has a very dense public transport network.
Our Faculty's students use it to quickly travel between the
several Faculty buildings.

Trams, buses, subway

Prague has a very dense public transport network.

Our Faculty's students use it to quickly travel between the several Faculty buildings.

The same kind of ticket can be used on subway, trams and buses.

Trams, buses, subway

Prague has a very dense public transport network.

Our Faculty's students use it to quickly travel between the several Faculty buildings.

The same kind of ticket can be used on subway, trams and buses.

Price for a 15-day pass is equivalent to approximately 15 \$.

Cars

The roads of Prague were not designed to cope with the 90's automobilism boom. As a result there are frequent traffic jams.

Cars

The roads of Prague were not designed to cope with the 90's automobilism boom. As a result there are frequent traffic jams. Traveling around by public transport is easier and nearly as fast as driving.

Driver/Pedestrian relationships

Prague has much fewer intersections than New York, but the intersections are usually more complicated — one way streets are rare.

Driver/Pedestrian relationships

Prague has much fewer intersections than New York, but the intersections are usually more complicated — one way streets are rare.

Drivers should yield to pedestrians on crosswalks, but the law is not always respected.

You should respect traffic lights, pay attention and

Driver/Pedestrian relationships

Prague has much fewer intersections than New York, but the intersections are usually more complicated — one way streets are rare.

Drivers should yield to pedestrians on crosswalks, but the law is not always respected.

You should respect traffic lights, pay attention and **not cross streets in NY fashion.**

Taxi!

Prague taxi drivers have a bad reputation for cheating, but that is mainly a problem of “wild” drivers. Large taxi companies are more honest.

Taxi!

Prague taxi drivers have a bad reputation for cheating, but that is mainly a problem of “wild” drivers. Large taxi companies are more honest.

If you need a taxi, don't accept services of out-of-street cabs.

Taxi!

Prague taxi drivers have a bad reputation for cheating, but that is mainly a problem of “wild” drivers. Large taxi companies are more honest.

If you need a taxi, don't accept services of out-of-street cabs. Order a taxi by phone from an established service.

Prague taxi drivers have a bad reputation for cheating, but that is mainly a problem of “wild” drivers. Large taxi companies are more honest.

If you need a taxi, don't accept services of out-of-street cabs.
Order a taxi by phone from an established service.

Notice the prices written on the taxi's door and ask for a receipt.

Landmarks

Prague contains an enormous number of historic buildings and a handful of modern landmarks.

Landmarks

Prague contains an enormous number of historic buildings and a handful of modern landmarks.

It is not nicknamed “The City of a Hundred Spires” for nothing.

Landmarks

Prague contains an enormous number of historic buildings and a handful of modern landmarks.

It is not nicknamed “The City of a Hundred Spires” for nothing.

A small list of the most famous sights:

- The Prague Castle

- Mirror maze on the Petřín hill
- Light show fountain (Křižíkova fontána)

For the nature lovers there are many gardens and parks scattered around the city. You can also take the railway/bus away from the city and into the countryside.

Weather

Prague lies in the temperate climate zone.

The air temperature during summer is between 90°F (noon) and 60°F (night).

Weather

Prague lies in the temperate climate zone.

The air temperature during summer is between 90°F (noon) and 60°F (night).

The air is drier than that of New Jersey.

Better Safe than Sorry

Prague is relatively safe; the greatest threat to tourists being pickpockets.

Some suggestions:

- Do not carry your purse in your backpack or back pocket.

Better Safe than Sorry

Prague is relatively safe; the greatest threat to tourists being pickpockets.

Some suggestions:

- Do not carry your purse in your backpack or back pocket.
- Be wary of crowds (especially in historic districts).

Better Safe than Sorry

Prague is relatively safe; the greatest threat to tourists being pickpockets.

Some suggestions:

- Do not carry your purse in your backpack or back pocket.
- Be wary of crowds (especially in historic districts).
- Be aware that pickpockets like public transport even more than Math students. Their favorite trick is surrounding people when entering and exiting wagons.
